Mother Nature Approved

SurfaceSet™ 2016 by Formica Corporation

Inspired by nature.

There's a movement afoot.

It's time to disconnect from technology and unwind.

It's time to get back to the basics, giving ourselves permission to stop and be still.

Introducing SurfaceSet™ 2016.

Three palettes of laminated surfaces, each with a distinctive personality.

It's the ideal way of bringing what we love about the outside, in.

When it comes to inspiration, keeping it real has never felt so right.

Or looked so good.
